### YEAR END PHYSICALS COMPLETED!

Taking advantage of the newly created "Annual Physical" benefits afforded every bowler in the Short League, Brakebush Baller, Tony Kieffer immediately called Short League honorary Doctor on call, Jamie, "Kwak" Kling to get his scheduled. "He's the most qualified person I know and gave me an honest opinion on my health." Said Tony, adding, "Although, spending 20 mins on my prostate exam was a bit extreme, I really do feel the whole experience was very thorough." Doc Kling, not wanting to break any HIPPA violations by covering his face, noted, "His consumption of 3 beers, 4 Tito's and diet and the 3-4 hanging shots, really is nothing for most bowlers I evaluate, but we will be watching that bowling ball lift finger for possible amputation if he continues to attempt to throw down and in."
