50/50 -\$73 - Pat Burkert

XBall - \$196 - Will Emmel

Well...unlike the Powerball, the biggest strike fund payout of the year has been claimed. The lucky dog on the hook was none other than our secretary Will Emmel. Would the young buck learn from his Dad's mistake last week? The cowbell was clanging, Tinkerbell (Trey) was dinging the counter bell, everyone was yelling. It didn't seem to phase Will. He delivered his pitch and there was a collective sigh as the ball seemed to hit high. But in then, 10 pins were down and he claimed a nice chunk of change! Congratulations Will!

The questions have been cycling around the league so we are going to answer them all right now as best we can: April 22 is the last night, we bowl for averages. This will serve as the position round as well as the feed night. If Commanche can close out the second half by the end of the 22nd, the 29th will be a fun night for the WHOLE league and will be the league payout night. If Cherokee can tie things up at the end of the position round OR straight up claim vicotry in the second half, those two teams will bowl competitively on the 29th and the rest of us will have a fun night. Depending on the outcome of the 29th, if another rolloff is necessary to determine the league champions, we will decide as a league if we want to have a second fun night on May 6th OR if only the teams remaining in the rolloffs will bowl on May 6th. We will then make the league championship payout when we crown the champion.
