BAD NEWS WEYH'S?

Claiming that his gruff bowling alley demeanor was often misunderstood, no-nonsense Weyh's Window Washing bowler Tom Genovese explained on Thursday that he was only tough on his team because he gets off on exploiting his authority. "Listen boys, I'm only stern with you kids because I care, not for you, but for winning!" said Genovese, who added that his biggest happiness, besides bullying adolescents for the sheer thrill, was winning Championships. Genovese, seen here showing his young team the correct angle to maximize their strike potential, stated, "You don't have to like me, well maybe Nate does, but I conduct myself in this manner because I can!" Genovese went on to say that one day when his team looks back, will realize he was a "screwed up old man that whipped this rag-tag of outcasts into bowling disciples."
