"Thoughts to Ponder"

"The greatest deception men suffer is from their own opinions."
 "The best years of your life are the ones in which you decide your problems are your own. You do not blame them on your mother, the ecology, or the president. You realize that you control your own destiny."
 "The bond that links your true family is not one of blood, but of respect and joy in each other's life."
 "A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success."
 "Valor is a gift. Those having it never know for sure whether they have it till the test comes. And those having it in one test never know for sure if they will have it when the next test comes."
 "It is unwise to be too sure of one's own wisdom. It is healthy to be reminded that the strongest might weaken and the wisest might err."
 "I refuse to accept the view that mankind is so tragically bound to the starless midnight of racism and war that the bright daybreak of peace and brotherhood can never become a reality... I believe that unarmed truth and unconditional love will have the final word."
 "An appeaser is one who feeds a crocodile, hoping it will eat him last."
