

Hello to Everyone.

I have been given an update from Bowlero management that I need to pass along to everyone.

On July 8, 2024 Bowlero - Feasterville will be converting to string pin bowling. The whole house will be converted and they will NOT have the center certified by USBC following the conversion. This means that there will no longer be any sanctioned leagues at Bowlero - Feasterville. Anyone who bowls in tournaments will need to establish an average and sanction in another league at a different center. Just in case, I have begun to ask other centers about availability for moving the league, but most, if not all are already full on Wednesday nights at 6:30 pm.

They will be having an open house in August with free bowling for anyone who wants to try bowling with string pins to see if they like it. We will still have our meeting on 8/21/24 and can discuss everything together as a league there.

As always, anyone with concerns or questions can contact me either by phone or email.

Please pass this info along to your team mates. If I get any more updates I will be in touch.

Have a safe and healthy summer.
